Respondent

Facts:

This First Appeal of the Appellant has been filed against the reply of the CPIO dated 12.06.2019 in dealing with his RTI application dated 25.05.2019, I have perused the RTI Application and the Appeal in hand. The bare perusal of the RTI application it is observed that the applicant in his RTI application has sought information in the form of question and to a given situation. However, keeping in view the appeal in hand the following information is furnished:

As per Section 20 (a), if the aggrieved have received a final order of the Competent Authority dealing with his grievances for complaint, the aggrieved may approach the Tribunal immediately.

As per Section 20 (b) states that if the Competent Authority does not pass the final order within 6 months the grievances may approach the Tribunal after 6 months.

Apart from above, it is stated that as per the decision of the Hon'ble CIC in the matter of Sh. Jai Kishan Vs. Reserve Bank of India, Mumbai (F.No. 216/IC/(A)/2006 F.No. CIC/MA/A/2006/00608 dated 31.08.2006). The CPIO

should be responsible to furnish the information only that is available in his office.

He is not supposed to tender advice/opinion or to clarify the given situation.

This Appeal is thus disposed of.

In case you are not satisfied with this decision, you may file second appeal before the Second Appellate Authority, i.e., Central Information Commission, Baba Gang Nath Marg, Munirka, New Delhi-110067.
